~~RECEIVED~~ **SCHEDULING ORDER**

This 21st day of January, 2014, the Court having conducted ^{dispensed with} an initial Rule 16(b) ^{due to the weather} scheduling conference pursuant to Local Rule 16.1(b), and the parties having determined after discussion that the matter cannot be resolved at this juncture by settlement, voluntary mediation, or binding arbitration;

IT IS ORDERED that:

1. Rule 26(a)(1) Initial Disclosures. Unless otherwise agreed to by the parties, the parties shall make their initial disclosures pursuant to Federal Rule of Civil Procedure 26(a)(1) on or before **February 21, 2014**.¹
2. Local Rule Disclosures. Information regarding Delaware Default Standard for Discovery Paragraph 3 shall be served on or before **February 21, 2014**; Plaintiff shall serve/produce information regarding Delaware Default Standard for Discovery Paragraph 4(a) on or before **February 21, 2014**; Defendants shall serve/produce information regarding Delaware Default Standard for Discovery Paragraph 4(b) on or before **March 24, 2014**; Plaintiff shall serve/produce information regarding Delaware Default Standard for Discovery Paragraph 4(c) on or before **April 23, 2014**; Defendants shall serve/produce information regarding Delaware Default Standard for Discovery Paragraph 4(d) on or before **May 23, 2014**.
3. Joinder of Other Parties and Amendment of Pleadings. All motions to join other parties, and to amend or supplement the pleadings, shall be filed on or before **September 30, 2014** except that a motion to amend the pleadings to include a claim of inequitable conduct shall be filed on or before **March 17, 2015**.

¹ The provisions of this Order shall not apply to B. Braun Melsungen AG because it has not been served by Plaintiff under Rule 4, Fed.R.Civ.P. The parties shall confer regarding the status of B. Braun Melsungen AG in the litigation.

4. Discovery.

a. Discovery Cut Off. All fact discovery in this case shall be initiated so that it will be completed on or before **May 8, 2015**.

b. Document Production. Document production shall be substantially complete by **August 22, 2014**.

c. Requests for Admission. A maximum of **35** requests for admission to each Defendant are permitted for Plaintiff. Defendants are permitted 25 common requests for admission, plus an additional 10 individual requests for admission from each individual Defendant.

d. Interrogatories. A maximum of **25** interrogatories to each Defendant, including contention interrogatories, are permitted for Plaintiff. Defendants are permitted 10 common interrogatories, plus an additional 15 individual interrogatories from each individual Defendant (all inclusive of contention interrogatories).

e. Depositions.

i. Limitation on Hours for Deposition Discovery. Plaintiff shall be limited to a total of **30** hours of taking testimony by deposition upon oral examination per defendant. Defendants may collectively take up to 70 hours of fact depositions of Plaintiff. No single Defendant shall be permitted more than 35 hours of fact depositions of Plaintiff.

Notwithstanding the foregoing, Defendants may also collectively depose an inventor for a maximum of 14 hours, but no single Defendant shall be permitted more than 7 hours of deposition time per inventor. ~~[PLAINTIFF'S PROPOSAL, WHICH DEFENDANTS~~

~~OPPOSE: The 14 hour limit on inventors should be inclusive of any 30(b)(6) testimony on which the inventor is designated.]~~ Each side may collectively take up to 140 hours of third

RG

party depositions. The foregoing limitations do not apply to depositions of experts. The foregoing limitations are without prejudice to the right of Plaintiff or the Defendants to request additional hours from the Court for good cause shown.

ii. Location of Depositions. Any party or representative (officer, director, or managing agent) of a party filing a civil action in this district court must ordinarily be required, upon request, to submit to a deposition at a place designated within this district. Exceptions to this general rule may be made by order of the Court or by agreement of the parties. A defendant who becomes a counterclaimant, cross-claimant, or third-party plaintiff shall be considered as having filed an action in this Court for the purpose of this provision.

f. Discovery Matters and Disputes Relating to Protective Orders. Should counsel find they are unable to resolve a discovery matter or a dispute relating to a protective order, the parties involved in the discovery matter or protective order dispute shall contact the Court's Case Manager to schedule an in-person conference/argument. Unless otherwise ordered, by no later than forty-eight hours prior to the conference/argument, the party seeking relief shall file with the Court a letter, not to exceed three pages, outlining the issues in dispute and its position on those issues. By no later than twenty-four hours prior to the conference/argument, any party opposing the application for relief may file a letter, not to exceed three pages, outlining that party's reasons for its opposition. Should any document(s) be filed under seal, a courtesy copy of the sealed document(s) must be provided to the Court within one hour of e-filing the document(s).

If a discovery-related motion is filed without leave of the Court, it will be denied without prejudice to the moving party's right to bring the dispute to the Court through the discovery matters procedures set forth in this Order.

5. Application to Court for Protective Order. Should counsel find it will be necessary to apply to the Court for a protective order specifying terms and conditions for the disclosure of confidential information, counsel should confer and attempt to reach an agreement on a proposed form of order and submit it to the Court within ten days from the date of this Order. Should counsel be unable to reach an agreement on a proposed form of order, counsel must follow the provisions of Paragraph 3(g) above.

Any proposed protective order must include the following paragraph:

Other Proceedings. By entering this order and limiting the disclosure of information in this case, the Court does not intend to preclude another court from finding that information may be relevant and subject to disclosure in another case. Any person or party subject to this order who becomes subject to a motion to disclose another party's information designated as confidential pursuant to this order shall promptly notify that party of the motion so that the party may have an opportunity to appear and be heard on whether that information should be disclosed.

6. Papers Filed Under Seal. When filing papers under seal, counsel shall deliver to the Clerk an original and one copy of the papers. A redacted version of any sealed document shall be filed electronically within seven days of the filing of the sealed document.

7. Courtesy Copies. The parties shall provide to the Court two courtesy copies of all briefs and one courtesy copy of any other document filed in support of any briefs (i.e., appendices, exhibits, declarations, affidavits etc.). This provision also applies to papers filed under seal.

Subsequent to exchanging claim constructions, the parties will meet and confer to prepare a Joint Claim

Construction Chart to be filed no later than **October 21, 2014**. The Joint Claim Construction Chart, in Word or WordPerfect format, shall be e-mailed simultaneously with filing to rga_civil@ded.uscourts.gov. The parties' Joint Claim Construction Chart should identify for the Court the term(s)/phrase(s) of the claim(s) in issue, and should include each party's proposed construction of the disputed claim language with citation(s) only to the intrinsic evidence in support of their respective proposed constructions. The inclusion of only intrinsic evidence is not meant to prevent a party from relying on extrinsic evidence in its claim construction briefs. A copy of the patent(s) in issue as well as those portions of the intrinsic record relied upon shall be submitted with this Joint Claim Construction Chart. In this joint submission, the parties shall not provide argument.

9. Claim Construction Briefing. The Plaintiff shall serve, but not file, its opening brief, not to exceed 20 pages, on **October 21, 2014**.
